

Respectable Exhibitors and Visitors,

Expomaritt Exposhipping Istanbul will be welcoming its visitors for the 16th time in Viaport Marina Tuzla on 06-09 April 2021.

Exhibitions are exceptionally important events for their sectors. I believe that Expomaritt Exposhipping Istanbul will play a crucial role for the development of commerce and maritime sector in all aspects, in this specific period of time as well.

I deeply trust that Expomaritt Exposhipping Istanbul that will be organized by Informa Markets -global leading brand for international fair and event organization-, will contribute to making Istanbul a significant center of attraction for maritime sector with its national and international exhibitors and visitors engaged in maritime sector.

In line with its global and regional geographical location, our country performs significant advancements each day and strengthens its pivotal position not only in maritime transportation sector but also in shipyard, ship and yacht building industries and port services.

Accordingly, Expomaritt Exposhipping Istanbul to be organized for the 16th time in 2021 will provide all national and international companies engaged in ship and yacht building industries, supporting industries, ship repair, maintenance and recycling, ship equipments, mechanics and auxiliary equipments, logistics, port operation, ship outfitted and defense industry with a unique opportunity to meet large number of exhibitors and promote their state of the art technologies and products.

As widely known, coronavirus outbreak in 2020 has changed our life and business practices drastically. Within the scope of preventing epidemics, Informa Markets is preparing to implement Informa AllSecure measures to provide our exhibitors and visitors a safe and healthy environment at the fair venue.

Taking this opportunity, I wish that 16th Expomaritt Exposhipping Istanbul will be beneficial to the maritime sector. I believe that the event will yield fruitful results for the exhibitors and will be an enjoyable experience for the visitors.

Tamer KIRAN
TURKISH CHAMBER OF SHIPPING CHAIRMAN
